Salmon en Papillote

INGREDIENTS
1 zucchini, sliced thin
1 shallot, sliced
2 cloves of garlic, smashed and minced
1/2 lb. piece of salmon
1-2 tbsp. fresh dill
Salt and pepper (optional) to taste
Extra virgin olive oil

Serves 2

METHOD
1. Heat oven to 350 degrees.
2. Fold a 24-inch sheet of parchment paper in half, and cut out a heart shape about 3 inches larger than fish fillet.
3. Place fillet near the fold, and place zucchini, garlic, shallot, dill, salt and pepper onto the parchment paper. Drizzle with 1-2 tsp. olive oil.
4. Brush edges of parchment paper with olive oil, fold paper to enclose fish, and make small overlapping folds to seal the edges, starting at curve of heart. Be sure each fold overlaps the one before it so that there are no gaps. Brush the outside of the package with olive oil. Put packages on a baking sheet, and bake until paper is puffed and brown, about 10 to 15 minutes.
5. Bake for 15-25 minutes, depending on the thickness and size of your salmon. If you have a thinner salmon, bake for less time, and if you have a thicker salmon, aim for the 25 minutes. Tear open the parchment paper at the table, enjoy the aromas, and dig in! Enjoy.
