31 THE LUXURY OF FRESH FLOWERS

Beauty is also nourishing. Consider buying yourself some fresh flowers, or flirt a bit to encourage someone else in your life to buy them for you.

Place them in your home and enjoy them.

Enjoying the simple beauties of life is essential to health.

Flowers are natural art. Delight in the beauty of our world.

How do you bring art and beauty into your daily life? Do you visit art museums, take beautiful photographs and post them on Instagram, or garden?

Assess how much beauty you allow into your life, and notice how beauty, art, and nature affect how you feel.
To be successful during the healthcare revolution, it takes focus.

Taking care of your own health is essential because creating your work and your life is not the easy path.

It would be nice some days for someone else to just tell us what to do, to lay the path neatly before us. But, that holds its own risks.

You have more choices than perhaps any other woman in history. Thus, you must be discerning about what you decide to do and then spend the time and energy to develop your work. Doing so requires focus.

What is just one goal that you can focus on for the next 90 days?

What distractions can you anticipate?

What resources and skills do you have to overcome any distractions or obstacles?

You can do this.

Basic Breakfast Porridge
Mix and Match Formula

Made too much quinoa or brown rice for dinner?
Leverage those leftovers by enjoying them in a tasty breakfast porridge! It couldn’t be easier.

INGREDIENTS
1 cup grain from Grain Column
(See Note below)
1-3 tbsp of items from Sweetness Column
1-2 tbsp of items from Nuts + Seeds Column
0-2 items from Extra Oomph Column
1-4 items from Seasonings Column
(just a dash less than 1/4 tsp)
1/4 cup of item from Creaminess Column (optional)

TOOLS
Measuring spoons
Dry measuring cup
Liquid measuring cup
Medium saucepan
Wooden spoon

DIRECTIONS
1. Bring water and grain to a boil. (See Note below).
3. Lower heat to low and cook for 5-7 minutes, or until creamy. Stir in “Creaminess” component if desired.
4. Add sweeteners like raw honey or maple syrup to taste.

NOTE: WATER TO GRAIN RATIOS
If using uncooked grain, ratio of water to grain is generally 2 to 1. If using cooked grain, ratio is 1:1. Except for Irish/steel cut oats:
- Cooked/leftover brown rice: 1 cup of water for 1 cup of cooked brown rice.
- Cooked/leftover quinoa: 1 cup of water for 1 cup of cooked quinoa.
- Rolled oats (uncooked): 2 cups water for 1 cup rolled oats (uncooked).
- Irish oats, the ratio is 4 to 1. So 4 cups of water for 1 cup of Irish/steel cut oats.

* certified gluten free oats
INGREDIENTS
1 cup gluten-free steel cut Irish oats
(such as McCann’s)
4 cups water
1/4 cup chopped nuts of your choice
(walnuts, pecans, hazelnuts, almonds)
1/4 cup dried cherries or raisins
Sprinkle of cinnamon and/or ginger

TOOLS
Liquid measuring cup
Measuring spoons
Dry measuring cup
Chef’s knife
Cutting board
Medium saucepan
Wooden spoon

THE SHORTCUT METHOD
Steel cut oats take longer to cook than regular oatmeal (about 30 minutes) but, there’s a trick.

Night before:
Bring water to a boil, add oats and stir. Turn off the heat and cover. Go to bed!

Next morning:
When you get up the oats will have been slowly cooking all night – all you have to do is heat it up!
Add a cup of cooked oats to a bowl (or Tupperware to bring to work).
Mix in any toppings you desire.

THE TRADITIONAL METHOD
If you don’t want to take the shortcut (sucker), here’s what you do:
1. Bring water to a boil.
2. Add oats to the boiling water, stirring well.
3. When porridge is smooth and starting to thicken, reduce the heat to a simmer for 30 minutes, stirring occasionally.

Add toppings and serve!

INGREDIENTS
2 shallots
8-10 carrots
2 tbsp olive oil
broth (about 3-4 cups)
salt + pepper

TOOLS
1 large or medium-sized pot with lid
Vegetable peeler
Good knife
Cutting board
Wooden spoon
Blender or immersion blender

DIRECTIONS
1. Slice shallots. Cut off both ends of shallots, peel off the skin, and slice into thin slices.
2. Slice carrots. Peel carrots, slice off the ends, and cut into thin slices, about 1/2-inch thick (don’t have to be anal about it). You should have about 3 cups.
3. Heat oil. Heat up big pot over medium heat, drizzle in about 2 tablespoons of olive oil (a nice “glug” of the bottle). Swirl pot to get oil to cover entire bottom.
4. Add shallots to pot and cook until soft and slightly brown at some edges, stirring every 30 seconds or so.
5. Add carrots, 3 grinds of salt and 3 grinds of pepper. Stir.
6. Add enough broth to just cover the carrots by an inch.
7. Turn heat up to high and bring to a boil.
8. Simmer. When carrots come to a boil, turn heat down to low, stir, then cover the pot.
9. Carrots are cooked. Check carrots - they should be tender, meaning you should be able to easily pierce with a fork. If not, let them cook for another 10 minutes. When tender, turn off heat.
10. Puree soup...
   - if you have an immersion blender, just stick it in the pot and blend away until soup is smooth.
   - if you don’t have an immersion blender, use a slotted spoon to transfer the veggies (cooked carrots and shallots) to a blender (only fill 3/4 of blender, do it in batches if you have to).
   - DO NOT put top on blender if the soup is still hot, it will freaking explode. Put a dish towel over the top of the blender and blend veggies on low until they are smooth (you may need to add some of the liquid from the pot to help it along).
11. Return soup to pot, stir, taste, and add more salt if you need to.

Variations
Spice it up with a sprinkle of ground ginger or cardamom when adding the carrots.
Broccoli-Leek Soup
(using Mix and Match Soup Formula)

INGREDIENTS
2 tbsp olive oil
2 leeks, rinsed and thinly sliced
Sea salt
Freshly ground black pepper

Measuring spoons
Wooden spoon
Chef’s knife
Cutting board

(or regular blender + slotted spoon)

DIRECTIONS
1. Heat the oil in large pot over medium heat.
2. Add leeks and cook, stirring occasionally, until they soften, about 5 minutes.
3. Add seasonings (salt and pepper) and stir.
4. Add broccoli.
5. Add the stock - enough to cover the vegetables and bring to a boil.
6. Stir, lower the heat to a simmer, and cover until vegetables are tender, 15-25 minutes.
7. Take soup off heat, puree with an immersion blender or add veggies to a blender/food processor using a slotted spoon.
8. Return to pot (if you used the blender/food processor), taste and adjust the salt and add any other spices that tickle your fancy.

Variations
Sprinkle with fresh herbs, like chives.
Use frozen broccoli instead of fresh.
Serve with a dollop of plain Greek yogurt.

1 tbsp olive oil
1 onion, peeled and diced
2 carrots, diced
1 celery stalk, diced

TOOLS
Liquid measuring cup
Large saucepan

3. Bring to a boil, reduce heat to medium-low, and cook 15-20 minutes.
4. Puree with an immersion blender (or remove half of the beans and vegetables and puree in a blender or food processor until smooth). Return to pot.
5. Garnish with fresh parsley and eat.
Basic Steamed Broccoli with Roasted Garlic and Toasted Hazelnuts

INGREDIENTS
2 bunches broccoli
1/2 cup olive oil
1/2 cup hazelnuts
Sea salt
6 cloves garlic (or Garlic Oil)
Fresh lemon

TOOLS
Large saucepan
Baking sheet
Steamer basket
Chef’s knife
Cutting board
Small saucepan

DIRECTIONS
1. Follow basic directions for steaming broccoli (see Videos tab).
2. Meanwhile, toast and skin hazelnuts (see below). Roughly chop.
3. Roast garlic: Place olive oil and garlic into a small saucepan and cook over low heat until garlic turns just golden, about 4-5 minutes. Alternative: Use garlic oil you’ve made earlier.
4. Take garlic oil off heat, add chopped hazelnuts, juice from 1 lemon, sea salt, and pepper. Stir to combine.
5. Drizzle garlic oil and chopped nuts mixture over the steamed broccoli. Gently toss to coat and serve!

How to Toast and Skin Hazelnuts
Heat oven or toaster oven to 375 degrees.
Spread the hazelnuts on a rimmed baking sheet and toast, tossing occasionally, until the skins darken and blister a bit, 5 to 6 minutes.
Remove from oven, take a clean dish towel in your hand and pick up a handful of nuts, cover them in the towel and rub your hands together over the towel until most of the skins fall off.

Variations
Replace hazelnuts with walnuts, pecans, or almonds.
Replace lemon with lime.
Sauteed Spinach
with Garlic and Raisins

INGREDIENTS
1/4 cup olive oil
2-5 garlic cloves, peeled
2 cups spinach or baby spinach, rinsed
1/4 cup golden raisins
sea salt

DIRECTIONS
1. Heat oil in a pan over medium heat.
2. Add the garlic and saute until it’s golden brown.
3. Slowly add in the spinach, let it wilt and keep adding until it’s all in.
4. Sprinkle very lightly with sea salt.
5. Gently stir to let spinach wilt down more and meld with flavors, then toss in the raisins.
6. Stir for a few minutes so the raisins get juicy and plump. Take off heat and enjoy!

Cauliflower and Green Beans

INGREDIENTS
1 head of cauliflower
1 pound of green beans
3-5 peeled garlic cloves
1/4 cup olive oil
1/3 cup water or broth
Pinch of sea salt
Freshly ground black pepper

DIRECTIONS
1. Trim the ends off the green beans if you didn’t already get them pre-trimmed.
2. Chop up cauliflower into bite-sized pieces (watch the video for this awesome trick I learned from Tim Ferriss’s 4 Hour Chef.)
3. Put all of the ingredients – the cauliflower, green beans, garlic, water, salt, and pepper – into a large pot.
4. Stir and heat up over medium heat.
5. Cover the pot. Stir every 10 minutes or so.
6. After 40 minutes…done! Turn off heat and serve or save for later – leftovers are good for up to 3 days.
7. Enjoy it alone, along with a green salad, or you want a bit more energy and focus, top it with a nice poached egg for some protein.

Gluten Free Pasta with Garlic and Oil and Sautéed Greens

This is a great “end of the week” dish when you’ve run out of fresh food and are feeling too lazy to run to the store - just leverage what you’ve got in your pantry and your freezer to whip up a really satisfying meal!

INGREDIENTS
1 pound brown rice pasta
1 tbsp olive oil
1 package frozen spinach or broccoli florets
(or 2 cups of fresh)
3 tbsp extra-virgin olive oil
2 garlic cloves (minced if you really love garlic,
kept whole if you prefer just a hint of garlic)
1/2 cup frozen peas
Sea salt and freshly ground black pepper

TOOLS
Measuring spoons
Colander
Chef’s knife
Large skillet
Cutting board
Medium saucepan fitted with steamer basket
Wooden spoon

DIRECTIONS
1. Cook brown rice pasta according to package directions, but take off 1-2 minutes off cooking time.
2. If using frozen peas, place them in the bottom of the colander so when you drain the cooked pasta, they will defrost and combine with the pasta.
3. Steam frozen greens to defrost. (Or steam fresh veggies with a sprinkle of sea salt until bright green.)
4. Heat olive oil in a large skillet over medium heat. Add garlic and sauté until golden brown (about 2-3 mins).
5. Add cooked pasta to the pan and stir to coat with garlic and oil. Add defrosted greens and stir to coat.
6. Take off heat, season with salt and pepper, taste and adjust.

Super Easy (and Juicy) Broiled Chicken

A great make-ahead dish for adding to protein to stir-fries, salads, burritos, etc! I usually make about 4 or 5 at the beginning of the week to use for several days.

INGREDIENTS
About 1 1/2 pounds boneless, skinless white-meat organic chicken (breasts, cutlets, or tenders)
2 tbsp olive oil
Sea salt and pepper

TOOLS
Measuring spoons
Chef’s knife
Cutting board
Baking sheet
Tongs

DIRECTIONS
1. Season both sides of each chicken breast with salt and pepper.
2. In a large, airtight, plastic bag place chicken and olive oil. Toast to coat and set aside for 10 minutes or up to 12 hours.
3. Preheat the broiler.
4. Take chicken out of bag with tongs, shake off excess oil, and place on a baking sheet.
5. Broil the chicken very quickly, turning once, cooking no more than 3-5 minutes on each side. To check for doneness, use a thin blade knife and cut through the center – should be white or slightly pink.
6. Let sit on a cutting board, loosely covered with foil, for about 5 minutes to let the juices settle back into the chicken.
7. Serve right away or store in an airtight container for later slicing into a salad, wrap, etc.
Pan-Seared Halibut with Toasted Almonds

INGREDIENTS
1 (4-oz) fillet per person of wild-caught halibut
1 tbsp unrefined coconut oil or sesame oil
sea salt
pepper
1/4 cup slivered almonds

TOOLS
Sauté pan
Spatula

DIRECTIONS
1. Heat oil in sauté pan over medium heat.
2. Sprinkle sea salt and pepper on both sides of each fish fillet.
3. Cook fish on first side over medium heat for 4 minutes.
4. Flip and cook on other side for 3 minutes. While fish is in pan, sprinkle layer of almonds on top.
5. Flip over and cook for 2 minutes. Add almonds on other side.
6. Flip again to cook and toast almonds on other side. Halibut is cooked when fish is flaky and no longer translucent.
7. Take off heat and serve.

Variations
- Replace almonds with chopped hazelnuts, pecans, or macadamia nuts.
Salmon en Papillote with Asparagus & Sweet Potato Wedges

**INGREDIENTS | SWEET POTATO**
- 1 small sweet potato or yam per person
- 2 tbsp olive oil
- sea salt

**INGREDIENTS | SALMON & ASPARAGUS**
- 1 bunch of asparagus
- 3 tbsp whole grain or Dijon mustard (or mixture of the two)
- juice from 1 lemon
- 2 tbsp olive oil
- Sea salt
- Freshly ground black pepper
- 1(6-8 oz) salmon fillet per person

**TOOLS**
- Measuring spoons
- Baking sheet
- Parchment paper
- Spoon
- Small and medium bowls
- Whisk
- Cutting board
- Chef’s knife
- Tongs

**DIRECTIONS**
1. Preheat the oven to 450 and line a baking sheet with parchment paper.
2. Slice the sweet potato in half, lengthwise. Slice each half into 5-6 wedges.
3. Add sweet potatoes to medium sized bowl with two tablespoons of olive oil and a pinch of salt.
   Toss to coat.
4. Lay potatoes in a single layer on the parchment-lined baking sheet and bake for 10 minutes.
5. Rinse and dry asparagus and snap off the ends.
6. In a small bowl, whisk together mustard, lemon juice, and olive oil.
7. Take a second piece of parchment, about 15 inches long, fold in half then unfold.
8. In the center of one half, layer about 4-5 asparagus spears and sprinkle with sea salt.
9. Place the salmon fillet on top of asparagus, sprinkle with salt and pepper, and spoon on 2 tablespoons of mustard sauce.
10. Fold parchment back over to cover salmon. Starting at the right hand crease, fold the parchment over itself to create a small triangle. Fold that piece over itself and continue folding to create small pleats all the way around the parchment. When you’re done, you should have a half-moon or “calzone” shape.
11. Take out the potato wedges, push them to the perimeter of the baking sheet. Place parchment packet in the middle.
12. Lower oven heat to 400 and bake packet and potatoes for another 10 minutes.
13. Remove from oven, slice through the packet - it’s ready! Top with more dijon sauce if you’d like.

Refresh nori wraps

**INGREDIENTS**
Toasted nori sheets
(the stuff they wrap sushi rolls in)

**TOOLS**
Cutting board
Chef’s knife

**ANY COMBINATIONS OF THE FOLLOWING:**
2-3 grated carrots
leftover brown rice or quinoa
sliced avocado
sliced cucumber

**DIRECTIONS**
1. Place nori sheet on a flat, dry surface. At the end closest to you, lay the veggies, rice, or any combination of the above ingredients flat along the width of nori sheet.
2. Roll up the ingredients. Slice roll in half and enjoy!
**Chunky Guacamole**

**INGREDIENTS**
- 3 avocados
- 1 large tomato
- 1/2 red onion
- Juice of one or two fresh limes
- Sea salt
- Fresh cilantro

**TOOLS**
- Chef’s knife
- Cutting board
- Medium bowl

**DIRECTIONS**
1. Slice the avocado, tomato, and onion into equal-sized chunks.
2. Gently mix all ingredients into a medium-sized bowl. You want to make almost a salty lemonade/limeade with the lime juice so be generous with it.
3. Garnish with extra cilantro and serve with tortilla or multigrain chips (check ingredients for sneaky sugar!)

**Variations:**
This would also be great in a sprouted grain wrap with chicken, beef, or fresh veggies like romaine, carrots, and peppers and onions.
Substitute lime with fresh lemon.
